WORK EXPERIENCE

CAPITAL CITY BANK – Banking

Product & Marketing Analyst

Wisconsin, USA
Jan 2025 – Present

- Analyzed **40M+ digital banking records** using **SQL and k-means clustering** to identify customer behavioral segments that informed the launch of Zelle for Business, ClickSwitch and WealthAccess features, increasing **digital engagement by 8.5%**.
- Reduced customer churn and generated **\$1MM in incremental deposit revenue** by analyzing account acquisition, transaction, and card swipe data across **10M+ records** to identify churn drivers and optimize customer acquisition strategies.
- Performed in-depth cohort analysis of home loan customers to identify cross-sell opportunities for wealth management and private banking, generating **\$10M in new investment relationships**.
- Leveraged customer event and profile data to analyze **youth banking product adoption**, product combo journey, and feature engagement, providing insights to guide product strategy and customer experience improvements.

MATTEL – Consumer goods

Marketing Strategy Intern – American Girl brand

Wisconsin, USA
May 2023 - Aug 2023

- Analyzed **2M sales and production data** to evaluate business performance using analytical tools (SQL, Tableau).
- Developed a pricing optimization strategy, projected to generate **\$14MM incremental revenue from 30K unit sales**, by assessing competitors' prices, market trends, and consumers' price sensitivity. Applied a hypothesis testing on Profit and Loss.
- Designed a resale strategy to generate **\$800K in incremental revenue** by examining competitive and consumer data and conducting a netnography study to predict consumers' demand and preferences.

SUNBYTES – A fast-growing B2B tech startup

Digital Marketing Specialist

Ho Chi Minh, Vietnam
Aug 2021 - Jul 2022

- Reduced **Cost Per Lead by 14x** and **gained 100% Marketing Qualified Leads** growth by overseeing the campaign performance, focusing on optimizing the Conversion Rate, Cost Per Click, Click Through Rate.
- **Boosted user engagement by 100% and web traffic by 300%** by leading a 7-member cross-functional team to revamp the digital ecosystem through a marketing channels audit. Utilized analytics tools (Google Analytics, Ahrefs, SEMRush) to understand user search intent and implement the first SEO tactics.
- **Minimized 80% report preparation time** by using Google Looker to integrate 500K data points from various channels to create a lead generation funnel visualization, presenting performance insights weekly to the Marketing Manager.

SPS GLOBAL – Top 100 Global BPO and data processing

Business Analyst

Ho Chi Minh, Vietnam
Aug 2018 – Mar 2021

- Optimized account-based marketing campaigns and monthly newsletters to **generate 600+ downloads, 100+ sales inquiries**, and 20+ opportunities. Increased the average open rate by 15% and CTR by 5% through 30+ A/B testing.
- **Examined 300K data** on business operational metrics and led an 8-member team to develop the first sustainability program, saving the company \$200K/year and earning Top 10 Sustainable Businesses recognition in Vietnam. Honored with Best Employee of the Year.
